Mid-Summer Issue

Philadelphia Chapter N.R.H.S.

COMMITTEES TO ORGANIZE ON THURSDAY NIGHT

At our next meeting, Thursday, Aug. 15th, the two committees working on the fall projects will meet to organize and discuss plans and ideas. The following are listed on the juice railroad project:

John Gibb Smith	Joseph Mannix
Henry Dickinson	David Cope
Milton Prioskett	Hugh R. Gibb
Henry Mercur	

The following have volunteered on the steam railroad project:

J. Harold Geissel	Richard Clover
Joseph J. Jeannes	Henry Mercur

Both groups will welcome any interested member. The electric group will begin a history of the Phila. Suburban Trans. Co. The steam group has under consideration the old Delaware River & Lancaster Railroad.

All members, however, are invited to attend the meeting, held as usual on the Third Thursday of the month.

NEW RAILFAN PUBLICATION--"TRAINS"

The Phila. Chapter announces that it has placed a one year subscription for "Trains", acting on a request from the members present at the August meeting. This new fan publication, on good grade paper will make its appearance on Nov. 1.

TRANSIT NEWS OF INTEREST TO PHILADELPHIANS

Permission to abandon service on Route 14 was refused by the P.U.C.; #55 from Olney Ave. to Willow Grove will become a bus line on Sun. Sept. 8th. For last riders....last car lvs. Willow Grove at 4.23 AM (DST) on the 8th. Fans wishing to make the last ride, meet at Willow Grove prior to that time.

Lehigh Valley Transit trip on Aug. 25th covering Allentown, Bethlehem, Northampton, Hellertown & Easton lines. Fare--\$1.00. Tickets and information from Chas. Hauser, 744 St. John St. Allentown, Pa.

NEW MEMBERSHIP CHAIRMAN APPOINTED

David Cope has been appointed the Chairman of the Memberships and we hope that his efforts combined with each of the members will result in increased membership for this Chapter. Perhaps you have a friend who is interested.... if so, it is your duty to sign him up.

CONVENTION TO BE HELD ON SEPT. 14 & 15

New Haven, Conn. is the city and the Southern New England Chapter the host. Although plans are still being formulated, entertainment will probably include the following:

Visit Cedar Hill Yds. of New Haven RR.

Visit James St. Carhouse of Conn. Co.

Clambake, followed by open car ride in special trolley.

Steam excursion trip up Conn. Valley to Northampton, Mass. (freight only)

Model Show with largest collection of city & interurban models.

Probably cost for everything, including hotel (two to room) -- \$5.00.

In addition to So. New England Chapter, the Boston & Hartford members are working hard to arrange an entertaining weekend. Keep these dates open, and get out and have a good time.

BIRNEY CAR TRIP OVER PTC BEING PLANNED

Plans are under consideration for a trip over several suburban lines of PTC probably the first Sunday in October. Trip will include Chester & Bustleton--and limited to members of the NRHS. No more than 36 persons can be accommodated. Cost--\$1.00. First 36 to pay cash in advance will receive a reservation; however, we will not charter the car until we have all paid reservations.

This trip is being run in answer to many out-of-town requests. If you intend to go send your \$1.00 in today to Henry Mercur, 348 Church Lane, Phila., Pa. who is Treasurer of Phila. Chapter and is accepting reservations at once. Don't be disappointed in the fall...pay now.

PAYMENT OF DUES BY THE YEAR REQUESTED

Our Treasurer, Henry Mercur, has asked a;; members to arrange to pay dues once a year, or every four months, if possible. This will save considerable time and confusion at our monthly meetings. Many members are already paying by this system, how about you?

C I N D E R S

This is the new name for this small paper which will be issued every three months or oftener, if warranted by the members. The Officers would like to have your own contribution.
